ATTN: U.S. Bankruptcy Court,

I was told to write this letter in regards to a protection plan/warranty that I purchased from Circuit City Advantage. 1/2009 was billed \$376.99 for a protection plan on my whirlpool dryer that expired on 5/13/09. I called and spoke to a representative whom assured me that Circuit City and Circuit City Advantage Protection were two separate entities. The rep stated that even if C.C went under, we would still be covered. I paid the bill of \$379.99 (the check was cashed on 2/2/09.) I called for a repair on my dryer 5/2009 to no avail. There is no valid phone number where CC Advantage can be reached. I believe this is unethical and that this company has committed U.S. mail fraud knowingly that their company was failing.

Thank You,
